Subject: Leviathan Mine - Notification of Road Work
[170605 rd wrk final w attach.pdf](#)

Ken,

On behalf of Atlantic Richfield, please find attached the Notice of Road Work for road maintenance activities including the placement of dust suppressant in front of the residences on Leviathan Mine Road near Highway 395. We would like to begin this work the week of June 12, 2017; however, the schedule will be dependent on meeting the requirements of the Dust Suppression Plan in the Road Operating Plan. Following your approval, we will notify residents at least 5 days prior to starting work.

If you have any questions, please feel free to contact me at the phone number below or Tony Brown at (657) 529-4537.

Mike Johnson, PE

Senior Engineer
